

UNITED KINGDOM

Introduction:

Air University presents an exciting opportunity for its students to study in the UK through a partnership with the University of Essex. Air University has signed an agreement with the University of Essex, one of the top 500 universities in the world, to host Air University students at their campus. This agreement allows AU students to pursue UK qualifications through **2+2, 3+1, and 4+1** arrangements (more details are given below).

- 2+2 (Students who have completed 2 years of BS at AU will transition to the 2nd year of the bachelor's program at the University of Essex)
- 3+1 (Students who have completed 3 years of BS at AU will transition to the 3rd year (Final year) of the bachelor's program at the University of Essex)
- 4+1 (Only for Fresh graduates of Air University. Students who have completed 4 years of BS at AU will transition to the 1st years of master's program at the University of Essex)

AU students transferred to the University of Essex will receive a consolidated transcript and a degree certificate from the University of Essex, UK upon successfully completing the program.

Sending Institute	Air University, Pakistan	
Host Institutes	University of Essex, UK	
Eligibility	<ol style="list-style-type: none"> 1. Air University Undergraduate students who have completed their Fourth, Sixth and Eighth semester of their degree programs are eligible to apply 2. Minimum CGPA requirement is 2.8 	
Agreements	<u>Disciplines at Air University</u>	<u>Degrees that Students will receive from Essex University</u>
2+2 Student will	<ul style="list-style-type: none"> • Bachelor of Business Administration (BBA) • BS Accounting and Finance 	<ul style="list-style-type: none"> • All relevant postgraduate taught courses in Essex Business School

<p>spend 2 years at AU and 2 Years at Essex University</p> <p>(Will get a Degree of Essex UK)</p>	<ul style="list-style-type: none"> • BS Tourism and Hospitality Management • Bachelor of Mechanical and Aerospace Engineering Bachelor of Mechatronics Engineering • Bachelor of Electrical and Computer Engineering BS Cyber Security • BE Biomedical Engineering • BS Psychology 	<ul style="list-style-type: none"> • BA Hospitality Management • BEng Robotic Engineering BEng Mechatronic Systems • BEng Computers with Electronics • BSc Genetics • BSc Biochemistry • BSc Biological Sciences • BSc Human Biology • BSc Biomedical Science • BA Psychosocial and Psychoanalytic Studies • BA Psychodynamic Practice
