Migration to Air University from other Universities/HEIs

(a) Eligibility Criteria:-

(i) Applicant must meet basic eligibility criteria for admission to Air University i.e. minimum 50% marks in FSc for Computing programs, Applied Sciences, Management Sciences, and minimum 60% marks are required for Engineering programs. A student applying for a BS English program must have 55% marks in English subjects in their FSc/FA/A-Levels.

(ii) The university/HEI from where the student is being transferred should be recognized by the Higher Education Commission (HEC) of Pakistan. Similarly, the program/batch should have the valid accreditation of concerned Accreditation Councils/Professional Bodies. A certificate to this effect should be furnished by the applicant from the parent university. Students applying for migration from a foreign university must submit the HEC recognition letter.

(iii) NTS GAT General / Subject or an equivalent test must be cleared as per AU admission policy. MS/PhD students must have provided evidence of their entry or GAT test

(iv) Applicants must not be dismissed on any academic or disciplinary grounds

(b) Conditions/Limitations:-

(i) CGPA must be at least 3.0 for undergraduate Engineering programs, at least 2.5 for non-engineering undergraduate programs, and at least 3.0 for post-graduate programs.

(ii) All courses with grades less than B need to be retaken at Air University, if selected.

(iii) A minimum of 50% of coursework requirements and time has to be spent at Air University to be eligible for migration.

(iv) The applicant should be able to complete the degree within the time period (stipulated by AU) for the degree.

(v) Equivalence with respect to Course Curriculum (min. 80% commonality of Course Contents/topics, Case-based studies for Business Management programs) and Credit Hours is essential. Courses studied must correspond to courses offered by Air University in depth and intensity. Details i.e. Course Contents, Outlines and topics, etc. must be provided with the application.
(vi) All Non-FA/FSc stream applicants have to provide an equivalence certificate duly obtained from IBCC, Pakistan.

(vii) Migration cases from any university will not be entertained unless seats in the applied program at Air University are available.

(viii) Air University Authorities reserve the right to reject cases without assigning any reasons.

(ix) Migrations are only allowed in the same degree programs. Migration is not allowed in the first semester.

(x) Total Time (max. 06 years for under-graduates, 04 years for MS students, and 06 years for PhD students) period starts from the enrollment in the previous University to the completion of degree at AU including any time lost due to any reasons.
